fox med!a

Fox Media offers objective media planning advice and buying services covering every continent

We have experience in the planning and buying of media campaigns in every continent.

With well-established media contacts covering every major country, we can ensure our clients receive a highly-efficient and cost-effective service, tailored to their specific requirements.

Our recommendations and plans are based on detailed targeting and cost:value analysis. Our goal is to achieve the media objectives set for each campaign in both our planning and buying.

tox media

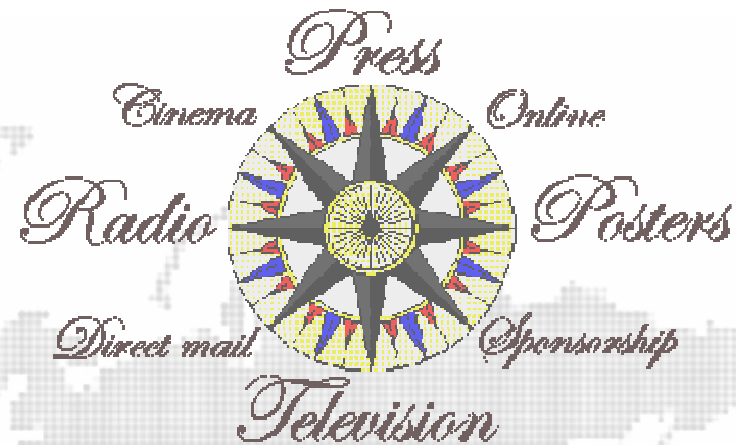

International media planning

Talk to us about your media requirements and we'll respond quickly with a suggested strategy
